Picture this....

A scrumptious dinner, a mind blowing magic show, and a concert by an awesome local band, Running Five. Sounds like such a great date doesn't it!? It could even turn into a fun night with the whole family or just a night to get away! If you went anywhere else, this would cost you close to \$30 a person for the whole evening. But if you come to our Fat Tuesday Event it will only cost you \$7 A PERSON! That's a savings of over \$20 a person!! How could you pass that up??
